Professional Experience

Full-stack developer intern

ShapeAI, Remote

July 2021 - Feb 2022

- Served as a tutor for a coding boot-camp, teaching JavaScript and React and node to aspiring developers. Providing hands-on guidance, explained complex concepts in a clear and approachable way, and supported students in building practical, real-world projects to enhance their skills and confidence.
- Developed full-stack React applications, adhering to industry best practices for high-quality code, utilizing libraries such as Mongoose, React, Tailwind and Redux.

Lead front-end developer

Iventors initiative pvt. ltd., Remote

Jan 2021 - June 2021

- Lead front-end developer for a startup building the next gen E-learning experience.
- Developer for a dynamic mentorship platform designed to connect individuals with experienced mentors who provide personalized guidance, support, and inspiration.
- Developer for an inclusive and supportive mental health platform.
- Mentored and guided a team of three front-end developer interns, fostering their professional and personal growth.
